Guardian – Payroll Deduction

This year you will be able to participate in in these plans:

- ✓ Dental Plan
- ✓ Vision Plan
- ✓ Life Insurance

For most people, taking care of your eyes and teeth is essential. Visiting your dentist or vision care specialist for regular checkups plays an essential role when it comes to your overall health—it's preventative care. Dental & Vision coverage available.

When you think about the joy your loved ones bring to you, you naturally think about what you can do for them in return, not only now, but in the future. Consider Life Insurance for you and your family's peace of mind.
